SUMMARY

SEO and Content Strategist with hands-on experience across B2B and D2C clients. Ranked content on Google's first page, driven 100K+ impressions per blog, and delivered a 4.85% conversion rate on a B2B landing page. On the email front, wrote emails that achieved up to 32.33% open rates and 7.67% click rates. On top of that, built AI content workflows using Claude Skills that generate content drafts which are 50 to 70 percent launch-ready, with no drop in quality and no client escalations.

EXPERIENCE

SEO & Content Strategist

Apr. 2026 – Present

Brandshark • Bengaluru, Karnataka

- Managing SEO accounts for clients across industries including fashion, fitness, and SaaS.
- Designed AI content workflows using Claude Skills, generating drafts that are 50 to 70 percent launch-ready while maintaining content quality and zero client escalations.
- Wrote emails that achieved up to 32.33% open rates and 7.67% click rates.
- Handling two interns (content writing and SEO intern) and ensuring their output meets client standards.

SEO Content Writer/Copywriter (Full-Time)

Apr. 2025 – Mar. 2026

Brandshark • Bengaluru, Karnataka

- Wrote SEO blogs that ranked on Google's first page and generated 100K+ impressions each.
- Strategized and wrote entire website copy for India's #1 elder care brand and a ₹2,000+ Cr revenue dairy company.
- Wrote a B2B landing page for a competitive market that drove 4.85% (above-benchmark) form submission rate.
- Rescued 2 client-escalated projects after previous writers failed to meet quality and deadline expectations.
- Juggled 3–4 client accounts simultaneously while consistently meeting content delivery deadlines.
- Created 35+ high-quality programmatic SEO pages in just 2 days using permutation-combination content logic.
- Onboarded and trained 2 content interns on SEO writing to increase team content output.

Content Writer (Internship)

Jan. 2025 – Apr. 2025

Brandshark • Bengaluru, Karnataka

- Wrote SEO-optimised blog content for multiple clients.
- Researched and suggested relevant blog topics based on trends and keyword volume.
- Audited low-performing blogs and improved on-page SEO to improve Google rankings.

PROJECT

Personal Branding & Content Project

- Built a personal brand on X and LinkedIn that generated 2 inbound freelance copywriting clients.
- Posting Medium articles to internalise what makes long-form content perform.
- Wrote revival and launch email sequences for a men's coach and a social media marketer, respectively.

EDUCATION

Bachelor of Business Administration in Accounting and Finance

NERIM Commerce College • Guwahati, Assam, India • Jun. 2023
